# to First Baptist Church Plant City

When all is on the line, what do you do? If you are like me, probably just about anything. There is so much that is on the line for people around us - mainly their salvation. The Scripture makes clear the absolute necessity for a personal relationship with Christ that not only changes where people. will spend eternity, but also our day to day living. Paul declared in very clear terms where people will spend eternity without Christ. That fact has moved many of our brothers and sisters to put all on the line to share the truth – even if it means persecution or death. We have been talking about the imperative of prayer in our day to day living as we have also fervently prayed for others to know Christ. Believe it or not, everything is on the line. May we be found faithful and fervent in our praying and sharing and caring!
