Q.E.D. - quod erat demonstrandum - "thus it is demonstrated."

That is probably an odd statement for most of us. Yet, what Paul did over and over in his missionary journeys was to demonstrate the truth of the Gospel to those that never heard or believed. And many would favorably respond to the Good News. In this summer series, we will take a journey through 1 Thessalonians and attempt to demonstrate as Paul did the truth of God's Word as we also answer questions that you have asked. I'm so grateful for the Word of God and that it is truly sufficient for us in our day and time!
