ENGAGED
FAMILY | CHURCH | WORLD

We live in a society and time when it seems many are "just there" (at best) or have checked out altogether (at worst). But God's Word teaches us the great importance of being engaged at home (in your walls), at church (in these walls), and in the world (outside these walls). This week we are focusing on life inside the walls of First Baptist Church as we worship, grow, serve and reach alongside one another. I hope you will journey with us this summer as I believe we will see God do make some incredible things happen in the lives of those that are willing to listen and surrender.
